

## Choclatea Combines Chocolate & Tea

Smile Chocolatiers have developed Choclatea, blending the intensity of chocolate and multi-layered taste of chocolate with the aromatic characteristics of organic teas, fruits and spices. Choclatea features four types of Belgian chocolate (very dark, dark, milk and white) and eight organic tea varieties to create 12 different flavors of chocolate bars. The bars are all hand blended and poured in small batches and the very dark and dark bars combine high cacao content and teas and fruits with anti-oxidant properties, which provide health benefits.

The very dark chocolate (72% Cacao) varieties include, pomegranate white tea, white tea, coconut green tea, and herbal chai tea. The dark chocolate (64% Cacao) varieties include, wild raspberry tea, white tea, coconut green tea, and herbal chai tea. The milk chocolate (37% Cacao) flavors include wild raspberry tea and ginger tea. The white chocolate (37% Cocoa Butter) flavors include rosemary tea and pistachio green tea.
